Breaking Barriers, Empowering Lives

Provide support coordination services to ensure that you receive the best service providers and support available

Offer assistance with daily living tasks, such as personal care, meal preparation, and household chores

Provide support to families and carers to ensure they have the resources they need to care for their loved one

Provide advocacy services to ensure that your voice is heard and your rights are protected.

Access community-based programs, such as social and recreational activities

We work closely with each individual and their support network to create a customized care plan that promotes independence and enhances quality of life
